Hi,  
I am Mr. S. Cakalaki, the mascot for SCASC. I would like to see you at our camp this summer. You will meet leaders from all across our great state of South Carolina, learn new ideas, work as a team, and enjoy friends you will make. See you in July!

### A TYPICAL DAY AT CAMP

#### *Day One—Mise en Place (Delegates gather)*

Delegates will be assigned to a council who will become a family for the week. Delegates will work with their council to solve an assigned problem during the week. Delegates will meet their cabin mates and learn how they can win Cabin of the Day/Week.

After dinner, delegates will hear from a guest speaker.

#### *Days Two and Threes—Culinary Development*

After a hearty breakfast and cabin cleaning, delegates will attend Skills Sessions taught by our experienced staff members. After lunch, they will meet several times with their council, attend electives to find out what other schools are doing on specific topics, enjoy some free time, and then dinner.

After dinner, delegates will hear from a guest speaker.

On Tuesday, there will be a talent show after dinner.

#### *Day Three—Iron Chef Cherry Grove*

In addition to the Skills Sessions, delegates will have intensive training in their respective positions on council. After lunch, councils will compete in a field day type activity and finish up their report for Council of the Week.
